## Mosby's Review Questions for the National Board Dental Hygiene Examination Mosby

Offering the most realistic NBDHE review and practice available, **Mosby's Review Questions for the National Board Dental Hygiene Examination** includes both a print book and companion website to prepare you for exam success. In the book, you'll review with more than 1,250 Component A practice questions — with each answer including a rationale for both correct and incorrect answer options. Online, you can review the same questions plus an additional 420 case-based items related to Component B in 1) practice mode or 2) timed, exam-simulation mode with randomized tests that match the number and distribution of questions on the NBDHE. From a team of dental hygiene experts including lead editor Barbara Bennett, this Q&A resource is an excellent supplement to any NBDHE content review book!

- **More than 1,680 multiple-choice questions** provide comprehensive practice spanning the entire NBDHE, with 1,250+ items relating to Component A — more than six times the number of questions on the actual exam! — and 420 case-based questions related to Component B.
- **Rationales** accompany each question, fully explaining why each answer choice is either correct or incorrect and thus serving as secondary content review.
- **Distribution of questions** matches each category on the NBDHE test specifications, ensuring that you have adequate practice for each content area.
- **An Evolve companion website** includes all 1,250+ questions from the book plus additional case studies with color images and accompanying questions, available either in practice mode with instant feedback or in exam-simulation format with results and feedback provided at the end of the exam.
- **A test creator and timer on Evolve** generates NBDHE-style tests that mimic the number and distribution of questions on the NBDHE and also provides realistic practice with time management during the exam.
- **16 detailed case studies on Evolve**, each of which includes a patient medical/dental history, completed periodontal chart, oral radiographs, clinical photographs, and 20-35 multiple-choice questions for patients in the five main categories covered on the NBDHE (adult periodontitis, pediatric, geriatric, special needs, and medically compromised).
- **References to text sources** make it easy to review or find more information on specific topics.
