A new coloring book series from the creator of the highly successful Anti-Coloring Books.

A fresh new idea on the natural wonders of the earth from the author of the best-selling Anti-Coloring Books. In the tradition of the original innovative series, Nature's Wonders is fully guaranteed to spark the creative impulse in every child. The Anti-Coloring Books have been a favorite of parents, educators, and children since the appearance of the first Anti-Coloring Book in 1978. These clever titles have been praised as "extraordinary, revolutionary" (Newsweek); "imaginative" (The Christian Science Monitor); and "great stuff" (Detroit Free Press). Kids call it "cool" and "not good, not great, but super." Using her unique and highly successful Anti-Coloring Book format, which encourages young people to create their own visual images, Susan Striker inspires children to discover nature's wonders, such as birds, trees, food, fish, and insects.
