Sixteen-year-old Rosie Wolf is sure when you die, you go straight to Paradise, until she wakes to discover she has died in an accident and that Paradise isn't what she thought it would be.

Rosie Wolf was sure that when her dad died, he went to Paradise. After all, isn't that where everyone went? But when Rosie wakes up in a strange hospital bed and finds out that she's died in an accident, she learns things aren't always what you think they will be.

Now her father feels further away than ever, and Rosie is left to deal with the Grim Reaper, who isn't a man in a black cloak, but a beautiful woman with a bad attitude. The Grim Reaper tells Rosie that before she can move on to Paradise, she has to go back down to Earth and collect three souls. But Rosie quickly realizes it's not so simple.

To complicate matters, Rosie meets Kyle, a boy who is different than anyone she's ever known. He's cute, smart, and funny. Rosie's been warned to stay away from the living, but she doesn't want to. What will happen if she doesn't?
