The Assassins

Oliver North, Joe Musser

The Assassins Oliver North, Joe Musser

With this suspenseful, action-packed finale, Oliver North concludes the trilogy that has included his best-selling novels *Mission Compromised* and *The Jericho Sanction*.

In 2007, soon after the sixth anniversary of the September 11th attacks on America, Jihadists attack multiple targets in Saudi Arabia, destroying oil pumping equipment, crippling pipelines, and assassinating most of the royal family. In the U.S., gas prices soar to over \$6 a gallon along with hyper-inflation across the world financial markets. "Non-business travel" in the U.S. is limited to no more than 500 miles per week.

The UN Security Council authorizes an international intervention force, and in a closed session of Congress the "Assassination Bill" is introduced. General Peter Newman is assigned to head a new "Threat Mitigation Unit," and he is given authority to recruit and train up to 100 specialists for the ominous task at hand--to assassinate terrorists.

It is discovered Iranians plan to detonate a nuke in Washington. Newman and a team are dispatched and a chase across Europe and international waters ensues. Newman hunts his illusive nemesis to Mexico and Cuba, but the Iranians have a backup plan in place and ready a plane repainted as a FedEx cargo jet and armed with a nuclear weapon--headed for Washington.
