The Blackwell Guide to Blues Records

The Blackwell Guide to Blues Records

What are the essential records that should form the heart of any collection of blues? Where do the best records fit in the history of blues, and how do they relate to one another? If a collection has basic representative records in one style of blues, what are the best records to supplement and enrich that area of music?

In *The Blackwell Guide to Blues Records* twelve of the world's authorities answer these questions, and suggest the framework for a basic collection of recordings. Each covers a particular area of blues history and in addition to describing and recommending ten essential records, gives details of up to 30 more which would consolidate that area. The book covers topics as diverse as early songsters, Mississippi Valley blues, Texas blues, the classic women singers, piano blues, Rhythm and Blues, postwar Chicago, Louisiana, the West Coast, and Soul blues.

The majority of records discussed are currently available, but some rare or out-of-print items are included, owing to their crucial importance to a comprehensive collection.

From reader reviews:

Michael Pauls:

Here thing why this The Blackwell Guide to Blues Records are different and trustworthy to be yours. First of all examining a book is good nevertheless it depends in the content of the usb ports which is the content is as yummy as food or not. The Blackwell Guide to Blues Records giving you information deeper and in different ways, you can find any e-book out there but there is no book that similar with The Blackwell Guide to Blues Records. It gives you thrill examining journey, its open up your own personal eyes about the thing which happened in the world which is possibly can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your means home by train. In case you are having difficulties in bringing the printed book maybe the form of The Blackwell Guide to Blues Records in e-book can be your alternative.

Karen Bell:

Information is provisions for anyone to get better life, information presently can get by anyone in everywhere. The information can be a understanding or any news even a huge concern. What people must be consider if those information which is inside the former life are challenging be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take The Blackwell Guide to Blues Records as your daily resource information.

Eric Langley:

The publication with title The Blackwell Guide to Blues Records possesses a lot of information that you can find out it. You can get a lot of help after read this book. This specific book exist new information the information that exist in this guide represented the condition of the world right now. That is important to yo7u to understand how the improvement of the world. This particular book will bring you within new era of the syndication. You can read the e-book on the smart phone, so you can read it anywhere you want.

Margo Soares:

This The Blackwell Guide to Blues Records is great publication for you because the content which is full of information for you who all always deal with world and have to make decision every minute. That book reveal it data accurately using great manage word or we can state no rambling sentences inside. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but difficult core information with lovely delivering sentences. Having The Blackwell Guide to Blues Records in your hand like having the world in your arm, info in it is not ridiculous one particular. We can say that no book that offer you world throughout ten or fifteen moment right but this e-book already do that. So , this can be good reading book. Hey Mr. and Mrs. hectic do you still doubt in which?
