## **Think #Digital First** Warren Knight

'Think #Digital First' is essentially a step-by-step guide designed for creative entrepreneurs, business owners, and sales and marketing managers that shares with them the importance of having the right mindset to focus on technology, sales and marketing. Understanding your strengths to building the right team around you and knowing the different platforms, social networks and the right digital tools are so important when integrating them into your sales and marketing to help you market your brand online, saving time and getting sales to grow your business. An entrepreneur's first step to building a socially-savvy business is accepting that you are the one driving your business forward. To be able to do this in the most successful way, you need to build a social business from the ground up and in each of the below chapters, Warren's seven simple steps are easy to follow, packed full of great detail and demystifies the new digital age. Warren Knight is the co-founder of Gloople, the UK's first "Social Sharing" eCommerce platform. With 20 years' experience in selling products and services, he is a speaker, author and consultant specialising in B2B Social Media and is a Social Commerce expert helping SME's use Social Media and Digital Commerce to achieve a multi-channel experience to drive traffic and better understand their customers.

### From reader reviews:

#### **Dawne Feliciano:**

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each publication has different aim or goal; it means that guide has different type. Some people really feel enjoy to spend their a chance to read a book. They can be reading whatever they get because their hobby is usually reading a book. What about the person who don't like studying a book? Sometime, particular person feel need book whenever they found difficult problem or exercise. Well, probably you should have this Think #Digital First.

#### **Arthur Daniel:**

The book Think #Digital First can give more knowledge and information about everything you want. Why then must we leave a very important thing like a book Think #Digital First? A few of you have a different opinion about e-book. But one aim in which book can give many info for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or info that you take for that, you are able to give for each other; it is possible to share all of these. Book Think #Digital First has simple shape but you know: it has great and large function for you. You can appear the enormous world by start and read a book. So it is very wonderful.

#### **Thomas Garrett:**

Reading a book tends to be new life style in this particular era globalization. With examining you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story as well as their experience. Not only situation that share in the ebooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on earth always try to improve their expertise in writing, they also doing some research before they write on their book. One of them is this Think #Digital First.

#### **Elaine Harvey:**

People live in this new day time of lifestyle always try and and must have the time or they will get lots of stress from both lifestyle and work. So , if we ask do people have spare time, we will say absolutely indeed. People is human not just a robot. Then we request again, what kind of activity do you have when the spare time coming to anyone of course your answer will unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative in spending your spare time, often the book you have read is actually Think #Digital First.
