Rear cover notes: "The Vampire clan Novel series broke all records for World of Darkness fiction when, throughout 1999 and 2000, it told an epic story through cross-cutting novels and carefully time-stamped chapters. Now, the entire epic is represented in four beautiful trade-format volumes. The Clan Novel Saga reorganizes the chapters from all 13 novels (and the Clan Novel Anthology) in strict chronological order, showing the progress of the epic night by night and even minute by minute. This final volume covers the events from late September of 1999 until the end of the saga: The vampires of the Sabbat close in around Baltimore, where the besieged members of the Camarilla search for the traitor in their midst. The Assamites, purging within and without, move against the dread Cardinal Moncada. And all the while, the Eye of Hazimel continues its deadly journey toward Gehenna."
