Get Into Medical School!: A Guide for the Perplexed Kenneth V. Iserson

Finally a book that gives premed students, and those thinking about becoming premeds, everything they need to know! A detailed, step-by-step guide through the processes of preparing for medical school, selecting a medical school, and obtaining the position. Packed with tips and practical information. Numerous charts illustrate the medical school selection process, and the "Must/Want" Analyses provide a way to rank the schools to meet individual needs. This unique book provides invaluable information about the entire process—from high school through what to do once you are accepted (or have been turned down). This is the book every potential physician has been waiting for.
