Land of Wolves: The Return of Lincoln's Bodyguard TJ Turner

Land of Wolves finds Joseph Foster with Molly as they settle into a new-found life in the hills of Tennessee. But Abraham Lincoln's former bodyguard, the man who saved the President's life, cannot escape the Consortium as they come roaring back, killing his mother, abducting his daughter—all to coerce his Congressional testimony on their behalf.

Instead, Joseph and Molly strike the Consortium in their own safe haven of New York City. In a Bonnie and Clyde-like twist, they rob from the Consortium to draw out their leader—General Dorsey. But the hidden plan reveals more than they counted on, exposing the true intention to steal the Black Hills and the gold underneath from the Lakota Sioux. *Land of Wolves* traverses the American landscape, where only a full reconciliation with Joseph's native heritage and a cast of characters ripped from history—including Lincoln—can bring true peace and stop General Dorsey and the evil Industrial Consortium.
