This multicultural children's book is a fun and interesting story that teaches kids about Chinese New Year and Chinese culture.

New Year was coming, and a young teacher finished making an adorable doll which was to be one of the 100 toys that would be given to the children as New Year's presents. Since the doll was made from tiny rags, it got the name Little Butou. Little Butou was startled at first by the deafening sound of the New Year firecrackers and was laughed at by the other toys. He then made up his mind to be brave. Join this brave little doll as he travels by road, rail and air having adventures and making new friends along the way...
