Dog Blood David Moody

On the heels of *Patient Zero* and *Pride and Prejudice with Zombies* comes David Moody's *Dog Blood* (his electrifying sequel to *Hater*) in which humanity fights itself to the death against a backdrop of ultimate apocalyptic destruction.

The Earth has been torn apart. Everyone is either human or Hater, victim or killer. Major cities have become vast refugee camps where human survivors cower together in fear. Amidst this indiscriminate fighting and killing, Danny McCoyne is on a mission to find his daughter, Ellis. Free of inhibitions, unrestricted by memories of the previous world, and driven by instinct, children are pure Haters and might well be the deciding factor in the future of the Hater race. But as McCoyne makes his way into the heart of human territory, an incident on the battlefield sets in place an unexpected chain of events, forcing him to question everything he believes he knows about the new order that has arisen and about the dynamic of the Hate itself.
