Refirement: A Boomers Guide to Life After 50 James Gamboni

ReFirement gives Baby Boomers a positive and optimistic vision of how to live a meaningful life as they grow older. Encouraging them to "ReFire" rather than "retire" the author redefines the aging years as an opportunity to leave a valuable legacy for future generations. Gambone challenges the boomers (and those who wish to energize their retirement) to draw on their root values and experiences to energize their life through the mid-life challenges and beyond.
