Unsettling. There's no better word to describe Miranda Barnes's ability to hear the cries of the dead, feel the wind move her hair when they run by, and - dare she look into a mirror - see the reflection of a ghostly woman behind her. There's only one person to turn to for support: Etienne. As sexy as he is mysterious, Miranda can't help but be drawn to him. He believes her; he wants to help her. But there's a secret in Etienne's past, something Miranda's on the verge of discovering. As paranormal activity escalates, passion grows, and soon Miranda is caught up in both love . . . and tragedy.
