The Original Pattern Journals are a new concept in luxury stationery. Each journal contains patterned pages for coloring-in and doodling interleaved with blank pages for taking notes and drawing. Each has a visual theme associated with a particular period or place, whether Renaissance Florence, 1920s Manhattan, or Mid-Century Scandinavia.

Composed of cream and gray stocks and featuring colored endpapers, richly patterned covers, and a bellyband, the journals are a perfect blending of the traditional blank journal and the current craze for coloring-in books. This is a series that can be used as beautiful, functional stationery but each volume will also become a unique personal notebook with your own designs and coloring.

The first four titles in the series are:

Renaissance –Florence • Art Deco – Manhattan • Heraldic – Paris • Mid-Century Modern – Scandinavian Design
