The Janacek Opera Libretti: Translations and Pronunciation, Vol. 1--Prihody lisky Bystrousky, The Cunning Little Vixen Leos Janacek, Timothy Cheek

Responding to the ever-increasing popularity and international performances of operas by the Czech composer Leo? Janáček, this volume, the first in the Janáček Opera Libretti Series, is the full translation of *The Cunning Little Vixen* in English alongside the original Czech. This work meets the needs of English-speaking singers, conductors, coaches, and stage directors and conveniently provides idiomatic and word-for-word translations, including translations of stage and musical directions. In addition, the International Phonetic Alphabet (IPA) is used to indicate Czech pronunciation, following the clearly-presented method given in the author's book *Singing in Czech: A Guide to Czech Lyric Diction and Vocal Repertoire*, with a foreword by Sir Charles Mackerras. Cheek also provides practical notes about Janáček's style, both in general terms and specific issues relating to this opera along with a plot summary with translations and vocal ranges of characters and the pronunciation of their names.

This entire volume is organized in a clear, readable format, resulting in a book that will help to make productions of *The Cunning Little Vixen* in the original Czech much easier a task than ever before.
