## The Official Scrabble Players Dictionary G c merriam

Perhaps Colette's best-known work, *Gigi* is the story of a young girl being raised in a household more concerned with success and money than with the desires of the heart. But *Gigi* is uninterested in the dishonest society life she observes all around her and remains exasperatingly *Gigi*. The tale of *Gigi*'s success in spite of her anxious family is Colette at her liveliest and most entertaining. Written during the same period as *Gigi*, *Julie de Carneilhan*, based on Colette's last years with her second husband, focuses on a contest of wills between Julie, an elegant woman of forty, and her ex-husband. *Chance Acquaintances*, a novella, involves an invalid wife, her philandering husband, and a music-hall dancer whose odd meeting at a French spa affects and indelibly marks each one of their lives.
