Uncharted Waters Kyle Langan

With their first year of college behind them, wealthy New Yorkers Kingston Lang and Claire Buckingham escape to the Hamptons for their annual retreat, expecting another fun-filled season of sun, surf, and friends. But their lives are forever changed when they accidentally befriend two newcomers.

Amelia Colombo is an Italian runaway looking for her prince. Kurt Nitro is a working-class landscaper looking for a job to pay his college bills. When Kingston and Claire fold these two outsiders into their circle, worlds collide, and tensions flare, causing jealousy and deceit to erupt between the bluebloods and the local island residents.

Caught in a class war between their roots and their new friends, Kingston and Claire must work out who their true allies are in a world full of manipulation, money, and greed. And they'll have to decide quickly who they can trust before their summer of fun transforms into a summer of peril.
