Born to Love, Cursed to Feel Samantha King

Born to Love, Cursed to Feel is about love—the good, the bad, and the confusing. It touches on morals and how when emotions are involved it's not as black and white. The poetry is frequently written in a narrative manner that evocatively pulls you in and makes you feel. This book is about falling in love, bad decisions, and ultimately growth. The essence of it all is to show that no matter how far one falls all the mistakes don't have to be what defines them.
