## **Giants (Lost Civilizations) (Volume 1)** Vaughn Heppner

The Nephilim had a plan. They would storm Eden, defeat the guardian Cherub with his flaming sword and eat from the Tree of Life. Then they would rule the Earth as immortal gods. First, they needed armor to resist the flaming sword. Second, they needed a weapon to kill an angel. And third, they had to forge a champion capable of this feat. Their quest could unleash terrible forces upon the Elder Earth, but they were the sons of fallen angels and they would trample anyone who dared to stand in their way. GIANTS is the start of Lost Civilizations. It tells of the war between Nephilim and men in the days before the oceans overran the Pre-Cataclysmic World. GIANTS is a fantasy novel by bestselling author Vaughn Heppner.
