**101 Tips on Getting into Medical School -- Second Edition: Updated, Revised, Enlarged** Jennifer C. Welch

How will YOU stand out among the tens of thousands of students who apply to medical school each year? This guide takes you through the often overwhelming process of applying to medical school and shows you what schools and admissions committees are really looking for.

Using real-life scenarios from thousands of medical school applications and interviews, this second, updated, revised, and enlarged edition of *101 Tips* will teach you what works -- and what does not! -- from inside the admissions process.

Great advice from choosing pre-med courses to wowing the interview committee has been selected by those who have seen the process first-hand. This guide provides the best tips drawn from thousands of winning applicants, all from the perspective of a unique insider, a medical school admissions director.
