## **A Personal View - David Curtis -The Landscape in Watercolor** David Curtis

Peer over an artist's shoulder for insight into the process of creation! A member of the Royal Society of Marine Artists and winner of several prestigious awards for his watercolors generously shows how the world looks through his eyes, and reveals his techniques for making landscapes come alive on the page. Accompanying many of the finished pieces are sketches that capture the interim stages of a painting, and you're privileged to watch five watercolors emerging from start to finish.
