Next to jealousy, hatred is one of the hardest emotions to control, and the members of the Broken Dreams Detective Agency feel the wrath of an enemy who escaped their clutches previously and seeks only vengeance no matter the cost. A foreigner on American soil, the antagonist defies his own master in extracting revenge against the men and women of the agency that foiled his attempt to extricate precious metals from the soil of a land that was not his own. If he had stuck to the religious agenda of the leader who had entrusted him with a plausible plan, the man may have succeeded in the original scheme, but he did not know who he was dealing with and took his inappropriate actions a step too far. Once again Reggie Nutsbagh and Toby Preston rise to the challenge and what follows is a classic tale of what greed and hatred can accomplish, nothing but death and destruction. Grab the edge of your seat for the roller coaster ride to top all adventures.
