Science and Technology (Oxford Children's Reference)

Science and Technology (Oxford Children's Reference)

Science and Technology is the ideal starting point for clear information on the fundamentals of science. It includes sections on science and materials, energy and the home, transport technology, and astronomy. Designed and written in a friendly and accessible way, it will help children better to understand their world. From exploring black holes to discovering how your vacuum cleaner works, this book will excite even the most reluctant young scientist.

The fresh, easily-accessible design and index make information retrieval wonderfully simple, and the pleasing mix of artwork, diagrams, and photographs will prove irresistible to any child.
