**The Body** Arabella Abbing

***Brianna.***

They called him *The Body*. A fitting nickname for the hottest man I'd ever laid eyes on.

I spent eight years watching Adam Reed from a distance. Envious not only of the girls he chose to bed, but of the man himself. Bitterness was an unpleasant side effect of watching his easy life.

Now, at our high school reunion, I've finally worked up the nerve to confront him. I'm determined to get to know him. Learn his secrets. But I never expected what I discovered.

***Adam.***

After college, I landed my dream job in professional football and escaped my past. I shouldn't have come back. Especially not for something as stupid as a reunion.

But my luck seemed to turn around when I hooked up with Brianna Larson of all people. I always thought she was too smart to get mixed up with a guy like me. I can't decide whether it's good or bad that I was wrong.

Because now she's tangled up in the mess of my past and I can't get her out. If I'm honest, maybe I don't even want to. But will she run away when she learns the truth about who I really am?

**\*\* The Body is a standalone novel. No cheating, no cliffhanger, and a guaranteed happy ending. 18+ \*\***

### From reader reviews:

#### Corey Gardner:

The book The Body make one feel enjoy for your spare time. You can utilize to make your capable far more increase. Book can to become your best friend when you getting tension or having big problem with your subject. If you can make reading a book The Body to become your habit, you can get considerably more advantages, like add your own capable, increase your knowledge about a few or all subjects. You could know everything if you like available and read a reserve The Body. Kinds of book are a lot of. It means that, science e-book or encyclopedia or some others. So , how do you think about this reserve?

#### Mary McKay:

What do you concerning book? It is not important together with you? Or just adding material if you want something to explain what you problem? How about your spare time? Or are you busy person? If you don't have spare time to complete others business, it is make one feel bored faster. And you have free time? What did you do? Everybody has many questions above. They must answer that question mainly because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need that The Body to read.

#### Harriette Corwin:

Here thing why this particular The Body are different and trustworthy to be yours. First of all reading a book is good however it depends in the content of computer which is the content is as yummy as food or not. The Body giving you information deeper including different ways, you can find any guide out there but there is no e-book that similar with The Body. It gives you thrill studying journey, its open up your own eyes about the thing that will happened in the world which is possibly can be happened around you. It is easy to bring everywhere like in park, café, or even in your way home by train. When you are having difficulties in bringing the published book maybe the form of The Body in e-book can be your alternate.

#### Irving Carlin:

Don't be worry for anyone who is afraid that this book can filled the space in your house, you could have it in e-book method, more simple and reachable. This specific The Body can give you a lot of pals because by you taking a look at this one book you have factor that they don't and make an individual more like an interesting person. This book can be one of one step for you to get success. This e-book offer you information that maybe your friend doesn't know, by knowing more than some other make you to be great men and women. So , why hesitate? We should have The Body.
