### The Essential Shakespeare Live (British Library) (2 CD Set)

The British Library and the Royal Shakespeare Company join forces to publish this remarkable treasury of live Shakespeare recordings. Selected from an extensive collection of recordings made by the British Library Sound Archive, this set offers scenes and speeches from some of the most celebrated Shakespeare productions in the history of the Royal Shakespeare Company. All the recordings in it are being published for the first time. The 20 extracts have been personally selected by RSC Associate Director, Gregory Doran. They cover a period of over four decades of exceptional Shakespeare performances, from Laurence Olivier as Coriolanus in 1959 to Judi Dench in *All's Well that Ends Well* in 2002. Here are some of the RSC's most celebrated productions—the now legendary Wars of the Roses from 1963, Peter Brook's *King Lear* with Paul Scofield, and John Barton's *Richard II* with Richard Pasco and Ian Richardson. Other notable actors represented include Peggy Ashcroft, Alan Howard, Derek Jacobi, Ian McKellen, Alan Rickman, Anthony Sher, Donald Sinden, Robert Stephens, Patrick Stewart, Janet Suzman, and David Warner. Two CDs with this booklet includes the texts of the extracts from the plays.
