Matthew MacFayden

Go is one of the world's oldest and most popular games, with an almost infinite number of variations. And while the basics are easy to learn, perfecting your skills provides a thrilling intellectual challenge: players put their stones on the board in an attempt to claim more territory than their opponents, either by surrounding them or by attack. This pack has everything needed to begin the fun: a fully illustrated step-by-step guide to the game; a full-size playing board, and 180 black and 180 white Go stones.
