Tweaker Parade

Philippa LeVine

Tweaker Parade Philippa LeVine

This wickedly funny non-fiction book spans the 30-year career of (retired) DEA Special Agent Philippa LeVine. She spent the bulk of her early years in a clandestine lab group chasing methamphetamine cooks and tweakers. In salty sarcastic cop-speak, she provides a unique insight into investigating meth labs in San Diego, California during the 1980's biker heyday. Follow her through the investigation of a chemical supplier involving murder for hire, buried treasure, and of course, meth labs.

Later she rises to the pinnacle of mid level bureaucracy taking us deep into DEA Headquarters for a look into one of the scariest places of all. You will laugh out loud as you learn the *truth* about meth, the pharmaceutical companies and federal drug law enforcement.
