Thank you for reading this book, my second big collection of short stories. As you may or may not know, we previously published many of the stories in this collection of 69 Wild Sex & Porn Stories in smaller chunks in a series called Wild Sex & Porn Stories. BUT we've decided to take all six volumes of that series add in a bunch more bonus stories and put them in one huge collection, "69 Wild Sex & Porn Stories"

Yes, we're removing the old volume of series to make it less confusing to decide - so now you get all of them in one for less!! You can still view and enjoy all the cover pictures along with a few more sexy pics. As always, these are real boobs, my boobs!

Are these stories real? Well, some are true, some based on real experiences, and well, some just complete fiction!

Which are true? You'll have to guess! I don't kiss & tell... well, sometimes, just a little!

Thank you and have a fabulously sexy day!
