Bouvier des Flandres (Pet Love) Robert Pollet

Deriving its name from the Flemish, the Bouvier des Flandres is the rough-coated, hard-working cow-herder of Belgium and France, whose origins trace back one thousand years. The modern Bouvier des Flandres, rough and gruff in appearance, is a talented multi-purpose dog, a formidable protection dog and a loyal family companion. Regarded as a great dog for children, despite his stature and strength, the Bouvier possesses a steady demeanor and a reliable character. Given proper training, this confident canine can become a terrific family pet and guardian. Written by Belgian breed expert and renowned international show judge, Dr. Robert Pollet, this new Comprehensive Owner's Guide paints a detailed portrait of the Bouvier's history and character and discusses the breed standard, puppy selection and care, basic obedience and house-training and much more. Bouvier owners will welcome the author's insightful chapters on everyday care for the adult dog as well as the authoritative healthcare chapter written by Dr. Lowell Ackerman discussing preventive care, inoculations, selecting a vet and much more. Whether you are a newly smitten Bouvier admirer or a long-time breeder and fancier, this new Kennel Club Book will not disappoint you in your search for accurate, up-to-date information about this remarkable breed.
