Degrowth: A Vocabulary for a New Era

Degrowth: A Vocabulary for a New Era

Degrowth is a rejection of the illusion of growth and a call to repoliticize the public debate colonized by the idiom of economism. It is a project advocating the democratically-led shrinking of production and consumption with the aim of achieving social justice and ecological sustainability.

This overview of degrowth offers a comprehensive coverage of the main topics and major challenges of degrowth in a succinct, simple and accessible manner. In addition, it offers a set of keywords useful for intervening in current political debates and for bringing about concrete degrowth-inspired proposals at different levels - local, national and global.

The result is the most comprehensive coverage of the topic of degrowth in English and serves as the definitive international reference.

It is most important to arrange you to ultimately make your knowledge are still up-date. Let's try to choose correct ways for you.

Louise Perez:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Degrowth: A Vocabulary for a New Era can make you sense more interested to read.
