Diary of a Minecraft Poetic Donkey Ian The Miner

## **Minecraft Diary: A Minecraft Adventure of Ri-donkey-lous proportions!**

Step into the world of Sinclair; the poetic, romantic, elegant, brave, and whatever donkey. With little memory of his past, he chose to abandon Steve who's been mistreating him – at least, that's what Sinclair thinks!

Unlike other passive mobs, Sinclair the donkey has the heart of an explorer! Plus, he is a lyrical genius – at least he thinks he is! This is the story of the bold, overconfident, self-absorbed hero who is out to conquer the world – and uses poems to tell his story. With the help of his trusty spider “sidekick” Gustav, our four-legged hero will face zombies, creepers, a bloated ego, and a murderous white bunny.

This story of Sinclair the poetic donkey will teach you that any fool can be a hero of his own story.
