First and Second Kings (Westminster Bible Companion)

First and Second Kings (Westminster Bible Companion) Terence E. Fretheim

Old Testament scholar Terence Fretheim identifies the theology in the dramatic accounts of the books of Kings, which chronicles the reigns of more than forty kings over a period of nearly four hundred years. Interspersing theological reflections throughout, Fretheim trace's God's words of judgement and promise for Israel--and for us--across the entirety of Kings.

Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.
