Arnold's March from Cambridge to Quebec, a Critical Study, Together With a Reprint of Arnold's Journal (Classic Reprint) Justin H. Smith

American invasion of Canada in 1775 and 1776 has yet been written. This may be due partly to a preconceived idea that nothing of real importance was involved in it, partly to the fact that in appearance the campaigns proved a total failure, and partly to the prominence of the ill-starred Arnold from beginning to end. On turning my attention to this neglected field, I soon discovered that Arnold smarch from Cambridge to Quebec would have to be studied as if nothing had ever been written upon it. When the data for this inquiry were mostly in hand, the announcement of a book on the subject appeared, and seemed to promise an escape from the labour of clearing so much of the way.

(Typographical errors above are due to OCR software and don't occur in the book.)
