Why are we here? What is life? What is the universe and how do we fit in? The questions mankind has pondered for centuries are finally explained in a way we can all understand. The structure of the Universe, the way frequency affects your life, the nature of time, and the six rules that govern true reality are only part of the amazing truths this book explores. Alex brings the reader in an extraordinary journey of discovery. From extraterrestrials to the God Force, Alex explains why the universe is as it is, and what role you play in it. Lessons is a powerful, concise, and enlightening book and will change the way you look at the world around you.
