"I have known Jim for several years. While I was a pastor at Faith Bible Church in Glendale, AZ, overseeing adult ministries, Jim was teaching some classes. I also referred people to Jim as a counselor. Jim has a special heart and giftedness in helping people. I have seen his counseling heal the lives of individuals and marriages. I consider Jim a personal friend and am always uplifted when we have the opportunity to speak. He has a practical biblical approach to the situations of life and is a gifted leader and teacher. If you are considering participating in an event that Jim is leading, I highly recommend your attendance. He has a way to transmit God's message that you will be able to understand and apply. If you have the opportunity to have Jim coach you personally, I believe your life will be changed for the better in ways you can't even imagine. I fully support Jim in his ministry efforts. I believe he has a great impact for God's Kingdom with the people he serves. I welcome anyone to contact me if they would like to discuss further."
