Cecil meets Mrs Harcourt. Cecil has a problem: Mrs Harcourt likes beating Cecil's bottom with a bamboo cane.

This spankingly fun piece of wickedness, anonymously written in 1907, tells the story of Cecil Prendergast's journey from submission to domination under the unexpectedly expert tutelage of Mrs Muriel Harcourt and her circle of adventurous young women.

The work is a classic story of Sado Masochism at the heart of high-society England, set in an era of English history where birching and corporal punishment were freely exercised, and those daring enough were free to experiment with a rediscovered passion for libertinage.

A once-banned classic of post-Victorian erotica, this book contains graphic descriptions of a "physical" nature.
