The Natural Republic The Monotheist Group

Shortly after the end of the revelation of the Qur'an and the death of the Prophet Mohammed, Muslims splintered into various sects, with each group claiming that they were the only ones who retained the true message of Islam. The unfortunate truth is that none of them had followed the message and teachings of the Qur'an, abandoning it for the message and opinions of their scholars and leaders. The Natural Republic is a long overdue attempt to return to the pure teachings of the Qur'an and abandon all sectarianism.
