Deliver Us II: Discovering Your Idols on the Path to the Promised Land Don Umphrey

Exodus: Moses and the children of Israel as slaves in Egypt and on their trip to the Promised Land serve as a backdrop for a biblical study on idolatry and addiction in our time.

Tracing the footsteps of the children of Israel, readers will discover idols previously hidden from their view while learning practical lessons in avoiding obstacles on the road ahead.

Are readers willing to break ties with our slave-world culture to set out for the Promised Land? If yes, will they focus on the idols visible in the rear-view mirror that beckon them to return? Or will they walk by faith and rely on our Creator to get us there?

The book includes: * Scriptural references throughout; * Questions for self-examination or group study in each chapter. * First-person examples from the author's prodigal past; * Insights from other Christian authors.
