A shattered nation and her people struggled to survive in the wake of the Civil War.

For nearly a year the Civil War has raged. For those in Colorado Territory and New Mexico Territory the war had seemed a distant threat. But in the early months of 1862 comes the alarming news that the Texas Rangers have pushed their way into New Mexico.

Set against the rigors of frontier life in the West, *Colorado Gold* was the dramatic first book in the Treasure Quest series. Bestselling author Marian Wells introduced her readers to Amy Randolph and Daniel Gerrett whose marriage started on shaky ground, nearly fell apart, and finally was restored. *Out of the Crucible* continues their story.

The difficulties of being the wife of an elder in the Methodist Episcopal Church during the circuit-riding days would test Amy's commitment of love. But little did they know they would be thrust into the middle of war.

The "Trial by Fire" of the Crucible Could Forge a Home Stronger than Death.
