**You're so clumsy Charley** Jane Binnion

Charley always seemed to get into trouble, though he didn't mean to.

He was getting fed up of going to school because he felt different than most of the other kids.

Then he met his Aunty Bella, and everything changed.

This book is about dyspraxia (aka Development Coordination Disorder), a neurological condition affecting 1 in 10 people, yet it is still very misunderstood. We chose not to name it in the story because this book is for every child that is different.
