When it comes to a real friendship, Kayla, Evelyn, and Trina have one last opportunity to get it right. If only for a short period, they appear to be on the same path and willing to put their chaotic past behind them. Evelyn's near-death experience has everyone embracing her, even Kayla's ex-husband, Cedric, who uses his wealth and power to get whatever his heart desires. To help him settle scores with individuals he now considers his enemies, Cedric handpicks the person he believes is the weakest link of them all—but trusting Miss Evelyn could be the wrong move. She has a bad reputation when it comes to her loyalty to friends, and there is nothing that will stop her from biting the hands that continuously feed her. Once again, Trina puts herself in a position to save them all, but when secrets unravel about the love of her life, she'll have to figure out more than one way to save herself.
