Getting from Babylon to New Jerusalem (Real Prophecy Unveiled, Book 3) Joseph J. Adamson

This is perhaps the strongest volume so far in the Real Prophecy Unveiled series. It answers and refutes the criticism and accusations that have been leveled at the author by the Religious Right. This book proves the critics wrong. This book discusses the role and function of the Christ and his messenger; the virgin birth myth; the Prophet Daniel's vision; the "Fall of Babylon;" the keys to Ageless Wisdom; the basics of most spiritual disciplines; raising the consciousness of humanity; "original sin" and salvation; the real meaning of religious freedom; the meaning and purpose of prophecy; the new "kingdom" to come; and how we get from this "Babylon" to the "New Jerusalem" of prophecy. It provides even more reasons why the American New Right will fall, discussing the big picture of corporate power; economic and corporate reform; political reality; grossly under-reported or ignored news; the Bush Administration's folly, lies and falsehoods that have misled many people; similar errors of some local politicians; and the unity platform that can help resolve many of our economic problems.
