Can a rubber tree placed in the north part of the home bring calm? Could an aquarium behind the bed inadvertently invite robbers? Might amber purify a room by transforming negative energy to positive? In *House Magic*, Ariana explains these effects and more, introducing readers to pagan feng shui — Wiccan energy management for the home. Feng shui, witchcraft, and astrology are already familiar to many readers, but *House Magic* is the first book to bring these practices together. The purpose? To show how, by using a little bit of each, people can activate positive energy in their homes and, consequently, in their lives. Fun, playful, and practical, *House Magic* explains where not to place certain objects in a room; links specific astrological signs to decorating styles and habits of collecting; and shows readers how to create a beautiful space that attracts positive energy for themselves and their guests to enjoy.
