House of Hoppen: A Retrospective Kelly Hoppen

In *House of Hoppen*, Kelly Hoppen MBE takes a look back over her stellar career. Packed with previously unseen imagery and letters from Kelly's personal and professional archives, the book charts the course of her career and celebrates some of the many highlights.

Fascinating insights into some of Kelly's favourite projects, including her most recent endeavours and some of her own homes, give an overview of the ways in which her design approach has remained both consistent and ever-evolving over the decades. Key themes and design signatures that underpin her work are examined in detail and Kelly also showcases her 'classic' touches – such as her favourite chair designs, lights, wall treatments, cushion style and colour: taupe.

House of Hoppen features a rich mix of imagery, from unseen archive material, including personal photographs and letters, to illustrations by contemporary artists, to interior photography by acclaimed photographers such as Tom Stewart, Bill Batten, Vincent Knapp, Mel Yates and Simon Upton.
