## **Jane-Emily: And Witches' Children** Patricia Clapp

Emily was a selfish, willful, hateful child who died before her thirteenth birthday. But that was a long time ago.

Jane is nine years old and an orphan when she and her young Aunt Louisa come to spend the summer at Jane's grandmother's house, a large, mysterious mansion in Massachusetts. Then one day . . . Jane stares into a reflecting ball in the garden—and the face that looks back at her is not her own.

Many years earlier, a child of rage and malevolence lived in this place. And she never left. Now Emily has dark plans for little Jane—a blood-chilling purpose that Louisa, just a girl herself, must battle with all her heart, soul, and spirit . . . or she will lose her innocent, helpless niece forever.

One of the most adored ghost stories of all time is available again after thirty years—to thrill and chill a new generation!
