The Rise and Fall of the Antichrist: Islam, Allah, and the Antichrist in Prophecy Charles Massegee
Islam, Allah, and the Antichrist in Prophecy. In addition to a verse by verse commentary on the Book of Revelation, this book includes The Seven Secrets to Understanding Revelation, and A Table of Symbols and Definitions of over 100 of the key words. This is a book of hope and victory for all Christians during the "end time." It is a must read for those who want to know what tomorrow holds for them.

Dr. Massegee recognizes that today more people than ever are looking to the Book of Revelation for answers about the End Times that it prophesies. The only book of the Bible that Jesus personally signed as author, the Book of Revelation holds the key to understanding the future; and that future can now be clearly understood through the seven secrets the author provides readers in *The Rise and Fall of the Antichrist*.

A three time President of the Conference of Southern Baptists Evangelist, Dr. Massegee definitively unlocks the secrets of the Book of Revelation so that his readers can learn:

- **The most important symbols and definitions that may change everything you thought you knew about the Book of Revelation.**
- **Which prophecies from the Book of Revelation have already come true and what those mean for the future**
- **Why we are now living in the so-called "End Times"**
- **What to expect during the last days**
- **Why the coming of Christ is something to celebrate, not fear**
- **What evidence there is to show Islam's connection to the Antichrist and to the last days**

Massegee's book is appropriate for both newcomers to Jesus as well as to those more experienced in Scriptural study, and his accessible work provides the solid scriptural evidence and analysis necessary, along with the author's own skilled insight, to finally understand today's news and culture.
