The root of all bondage is disobedience to the Word of God and spiritual ignorance. This educational Session is designed to minister inner-healing, deliverance, and to provide understanding and answers about generational iniquity to parents of Gay Children. This is a great counseling reference tool to "spiritually equip" pastors, counselors, ministries and workplace leaders about the devastating emotional problems this generation is facing. Below are fearful questions that "same-sex" populations suffer silently from as they listen to the lies of the enemy! •Will I go to Hell if I'm gay? •I'm attracted to the same sex, but I have not become intimate, am I still considered gay? •Why do my friends call me gay just because most of my friends are gay? •Can my child change with the help of a doctor? •Should I accept that I am gay if my parents and sibling often call me a dike or fag? •How can I break-free from my homosexual past? This Session is a **MUST READ** as it offers **SOCIAL-ACTION** steps for those who are facing "same-sex" struggles; and for **PARENTS** and **PASTORS** to plan church-place grace-based solutions for such critical times as these.
