**Hidden in a Whisper (Westward Chronicles, Book 2) (Vol 2)** Tracie Peterson  
After What Happened, Can She Trust Him?

The intriguing and little-known story of the Harvey Houses frontier railroad stops which were one of the few reputable places for women to work are the setting for author Tracie Peterson's newest historical novel, *Hidden in a Whisper*. Well-known for her own books as well as her RIBBONS OF STEEL and RIBBONS WEST series written with Judith Pella, she has again created a marvelous tale of love and redemption in the hard lands of the frontier West. Continuing the story begun with the bestseller *A Shelter of Hope*, the newest book in the WESTWARD CHRONICLES series is sure to capture your imagination.

In the book, Rachel Taylor's dedication to hard work has secured her a rare position as the house manager for the newest Harvey House in New Mexico. The job seems like an answered prayer until she hears that she will be working with Braeden Parker, a man she had hoped was part of a past long buried. The feelings she still holds conflict with her shattered trust and Rachel struggles to reconcile the two when a cunning new Harvey Girl, Ivy, appears on the scene.

Haunted by painful memories, Rachel desperately yearns to embrace Braeden's love and keep him from falling into Ivy's clever snares. Before she can fully trust any man however, Rachel must learn to give her trust over fully to the loving hands of her Father.
