This new 4-volume series presents an imaginative approach for telling scripture stories that invites children to wonder about themselves, God and the world in a way that is playful and meaningful to them. Based on the Montessori teaching method, Godly Play outlines specific storytelling techniques and use of story figures that encourage children to respond through a variety of creative activities. This method is greatly respectful of the innate spirituality of children and encourages them to use their curiosity and imagination to experience the mystery and joy of God.

Volume 1 contains all of the material you will need to become familiar with the Godly Play approach, with detailed information on creating a special space for children and techniques for presenting each lesson.
