The Fascinating History of My Liberated Ancestors Charles Harding

In 'The Fascinating History of My Liberated Ancestors' the Author starts with a brief Historical sketch of his direct Ancestors beginning in Scotland in the late fifteenth Century. Thereafter, the reader is treated to a very well researched account of those White and Black men and women that travelled between Nova Scotia, Jamaica, Britain and West Africa, particularly Sierra Leone whilst enduring the horrors of Slavery. Against all odds and the many degrading and prejudicial practices, Charles Harding's Ancestors developed into a formidable Group of well - educated professionals in Medicine, The Law and members of the Cloth. They married and inter married and played an immeasurable part in the establishment of the British Colony of Sierra Leone that played such a leading role in West Africa until Independence. His masterful writing has not only produced a 'Family History,' but a book that provides a unique account of 'Colonial History', and a Fascinating one at that. This remarkable book is a truly good read
